We will proudly honor:

Fried, Frank, Harris, Shriver & Jacobson LP

&

The evening's program will also feature the presentation of our Champion of Justice Award to the **Paramount Global Law Department**.

Every day in Brooklyn, people with low incomes—especially in marginalized communities—face legal challenges alone. Barriers to representation and affordable support complicate an already unbalanced system. Access Justice Brooklyn believes the system only works fairly when all Brooklynites have the means to access and achieve justice.

As Access Justice Brooklyn's premier fundraising event, funds raised for the Gala strengthen our vital work and impact throughout the borough. Access Justice Brooklyn partners with compassionate pro bono attorneys to provide high-quality, civil legal services that help ensure equal access to the legal system. Our approach prioritizes the most basic, essential elements and experiences of human life, including housing, family stability, and subsistence income. Our proven pro bono model—recruit, train, supervise, and support— also provides flexibility to address new legal issues as they emerge. Everyone, whether an attorney or not, has a role to play in expanding access to justice.
