

# NGF SENIOR LEGAL EDUCATION AND ASSISTANCE PROGRAM

**We are proud to support Brooklyn seniors with our National Grid Foundation Senior Legal Education and Assistance Program (NGF Senior LEAP).**

Our staff and volunteers visit senior and community centers and faith-based organizations across Brooklyn or virtually via remote platforms, providing free presentations and FAQ sessions about the importance of:

- Wills, power of attorney, and healthcare proxies
- Foreclosure, deed theft, and home repair scams
- Consumer debt and debt collection

After each presentation, a question-and-answer session identifies other areas of concern to seniors. Seniors who have specific legal issues and meet our financial eligibility criteria may also make follow-up appointments for individual assistance.

## **Schedule an NGF Senior Leap Presentation:**

If you would like more information about our NGF Senior LEAP information sessions or would like to schedule presentation, please contact Eloy Ruiz, Legal Assistant.

**Eloy Ruiz** (718) 473-9207
