CORPORATE PARTNERSHIP GIVING PROGRAM

Founded in 1990, Access Justice Brooklyn provides high-quality, pro bono legal services and community education to our neighbors in need. Using the collective talents of our dedicated staff and volunteers, we help ensure a more accessible legal system and equitable Brooklyn.

Partnerships with private law firms and companies are essential to the success of our programs and fulfillment of our mission. In joining Access Justice Brooklyn's corporate partnership giving program, members provide critical non-event related annual operating support and often make significant pro bono contributions as active participants in Access Justice Brooklyn's volunteer program.
